

END-OF-THE-YEAR REPORT

Districts currently operating under an alternative schedule must submit a one-page report that explains how the alternative schedule impacted teacher effectiveness, student learning, and whether or not the district met the objectives outlined in its proposal for the current year of implementation. This evaluation will be used annually to report to the State Board of Education. This page may be used for the report. Please submit the end-of-the-year report to Elaine Marces at elaine.marces@wyo.gov by **July 1, 2020**.
