## STATE LIBRARY PURCHASES LINKEDIN LEARNING

The Wyoming State Library (WSL) has purchased LinkedIn Learning. LinkedIn Learning is an online educational platform that helps anyone discover and develop business, technology-related, and creative skills through expert-led course videos.

The WSL is providing LinkedIn Learning using CARES funding, allowing any Wyoming public or community college library card to unlock over 6,500 free resources. This includes a variety of K-12 education related learning resources, varying from teacher professional development, instructional design, educational technology, and more. These resources can be utilized to enhance educational technology, eLearning, learning management systems, student tools, and more.

Click [here](#) and select LinkedIn Learning to start utilizing these no-cost educational resources through September 30, 2021.
