on your own

Cost:
\$15.00 per
participant
Includes material
kit & four
Zoom sessions.
Open to Wyoming
kids grades 3-12.

VIRTUAL CREATIVITY CAMP

This year you will attend four sessions that will lead to one amazing creation.

Begin by designing and making a costume of a character you create.

Then enhance your character by learning face painting techniques and adding lights and motors to your costume. Finally, develop your character with it's very own story and create a trading card to show it off.

Join us for a creativity camp like you've never seen!

Participants will meet on Zoom for a group activity and then break out into different Zoom sessions to begin creating. Each participant will pick up a kit from a location near you. The kit will contain the materials you need to create your character.

Participants will need to provide:
Computer with internet access to Zoom
Hot glue gun & 10 Hot glue sticks
A good pair of scissors
Markers or colored pencils

NO HOT GLUE GUN?

Add \$5 to your registration fee for a total of \$20 & we will include a mini hot glue gun & a package of hot glue sticks with your kit. Once you have completed the registration form, you be be given a link to pay via PayPal. Please enter \$15.00 for a basic kit or \$20 for a kit including the hot glue gun and sticks. Thank you!

Register and Pay online by October 8th
