Virtual Strategies for Health Education In the 21st Century: A Skills-based Approach

February 25, 2021, 90-minute session
2:30 pm ET, 1:30 pm CT, 12:30 pm MT, 11:30 am PT

Session Description: Delivering K-12 Health Education using a skills-based approach for the 21st Century.

Speakers:

Holly Alperin, EdM, MCHES, is a clinical assistant professor in the Health and Physical Education Program at the University of New Hampshire.

Barb Burditt, M.Ed., Director of Professional Development- The Children's Health Market

Learning Objectives:

- Share virtual strategies for teaching a skills-based approach in Health Education.
- Provide support and technical assistance to state and district leaders who want to share these strategies.
- Explore a skills-based curriculum.

Zoom Link:

<https://us02web.zoom.us/j/89191814665?pwd=cmlGNGFSV09GRjhuWWdmWksxZlJjQT09>

Recertification Units Provided: Please inform Fran Anthony Meyer, PhD, CHES® if you want recertification credits for this session (fameyersociety@aol.com).

Social/Networking: For those who care to ask questions and meet fellow national, state, and district leaders, the Zoom room will remain open following this The Children's Health Market-sponsored session.

Let's talk more!
