

HOW I PICTURE MY SUCCESS IN WYOMING

AN ESSAY CONTEST CELEBRATING WYOMING OPPORTUNITY

An essay contest based loosely on the 40 profiles in "Breaking Through," a collaboration of the Wyoming Department of Education, the Casper Star-Tribune and 307 First celebrating Women's Suffrage in Wyoming.

We believe everyone wins when students thoughtfully consider how they will achieve success, so the essay guidelines are simply to share how you picture yourself creating a successful life within Wyoming.

A grand prize of \$1,000 will be awarded along with second and third place prizes of \$500.

The grand prize winner's essay will also be published in an ad celebrating the writer and the contest in the Casper Star-Tribune and on the 307 First website.

Students should submit an essay of no more than 500 words via email to dale.bohren@trib.com with the subject line: How I Picture My Success in Wyoming

The deadline for submissions is **June 1, 2021**.

Essays will be judged by a panel of representatives from the Department of Education, the Star-Tribune and 307 First.

Every entry will receive a certificate recognizing their essay.
