

WDE WYOMING MTSS

MULTI-TIERED SYSTEM OF SUPPORTS

What is Multi-Tiered System of Supports (MTSS)?

MTSS is a **framework that focuses on system-level change and continuous improvement** across the classroom, school, and district to provide each student with opportunities to maximize academic achievement and develop skills for success.

Components of MTSS:

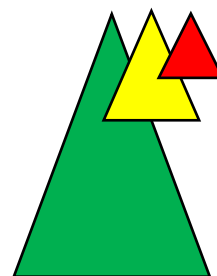

What is the Wyoming MTSS Center?

The Wyoming MTSS Center provides training and resources to educators in Wyoming so they can implement a sustainable MTSS model.

What support does the Wyoming MTSS Center provide local educators?

- Statewide MTSS trainings
- MTSS Coaching Institute
- Webinars on special topics
- MTSS pilot project
- Free tools and resources
