Medical Terminology

Wyoming Department of Education
122 W. 25th St., Ste. E200
Cheyenne, WY 82002
307-777-7675

Medical Terminology provides students with the vocabulary to be successful in the health sciences.

- Instructors can be a certified health science instructor or the school nurse with a PIC permit.
- For dual or concurrent enrollment must meet the community college adjunct faculty requirement
- No clinical component is required
- For all age high school students
- Many times this course is articulated with community colleges for HLTK 1200 credit
- Many times this course is held as an introductory or second class in a health science program of study.

The Wyoming Department of Education does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups.¹ The following person has been designated to handle inquiries regarding the non-discrimination policies:
