# SCHOLARSHIP REQUIREMENTS

INSIDE

The Hathaway Scholarship Program provides money for all qualified Wyoming high school graduates to go to college. Learn which high school courses are required to receive the different scholarship tiers and plan to reach these goals in order to earn money for your education.

# NOTES

## DEAR STUDENTS,

In 2005, the state of Wyoming developed a program to give each Wyoming student the opportunity to attend college. The Wyoming legislature honored former Governor Stanley K. Hathaway by developing a scholarship program from the permanent Mineral Trust Fund he set up. Because of this trust fund, every year the state of Wyoming is able to invest more than \$17 million dollars and grant more than 5,800 scholarships to students to help them go to college in Wyoming.

Wyoming students have a unique opportunity unlike any other state and the information here will help you get started. Every Wyoming student has the opportunity to use the Hathaway Scholarship. Don't miss out.

Talk to your school counselor or go to **[hathawayscholarships.org](http://hathawayscholarships.org)** for more information.

Sincerely,

### THE HATHAWAY SCHOLARSHIP TEAM

 Madison R. Lacey  
 B. Schroeder

# COLLEGE READINESS TESTING

## WY-TOPP

The Wyoming Test of Proficiency and Progress (WY-TOPP) is a system of summative assessments in English language arts, mathematics, and science. For grades 3-10, the WY-TOPP summative assessments are given in the subjects of math and English language arts; students in grades 4, 8, and 10 will also be assessed in science.

## ACT®

The ACT® is a national college admissions test accepted by colleges and universities in the U.S. including the University of Wyoming and all seven Wyoming community colleges. The ACT® score is also used to qualify students for scholarships such as one of the Hathaway Scholarships.

- All Wyoming 11th grade students take this test
- Score range: 1 - 36
- Test subjects: English, Math, Reading, Science, Writing
- Includes a career interest inventory to help students map an education and job path.
