SPECIAL EDUCATION COMPLAINT INVESTIGATION

Complaint Case: C-009-22

Decision Date: August 15, 2022

Public Agency: Laramie County School District #1
2810 House Avenue
Cheyenne, WY 82001

Issues Investigated and Decision:

Whether the District provided the Student a Free Appropriate Public Education (FAPE) through an Individualized Education Program (IEP) reasonably calculated to provide educational benefit in light of the Student's unique educational and behavioral needs while receiving services in the Program consistent with the requirements of 34 C.F.R. §§300.17 and 300.101.

WDE finds the District in violation of its nondelegable duty to ensure the provision of FAPE through an IEP based on the Student's unique educational needs and provide services in conformity with the IEP.

The district is required to correct the identified violations via a corrective action plan. The WDE will monitor and document compliance with the corrective action order. Once all corrective action is complete, the WDE will close the case.
