Impact of COVID-19 on 21stCCLC Programs

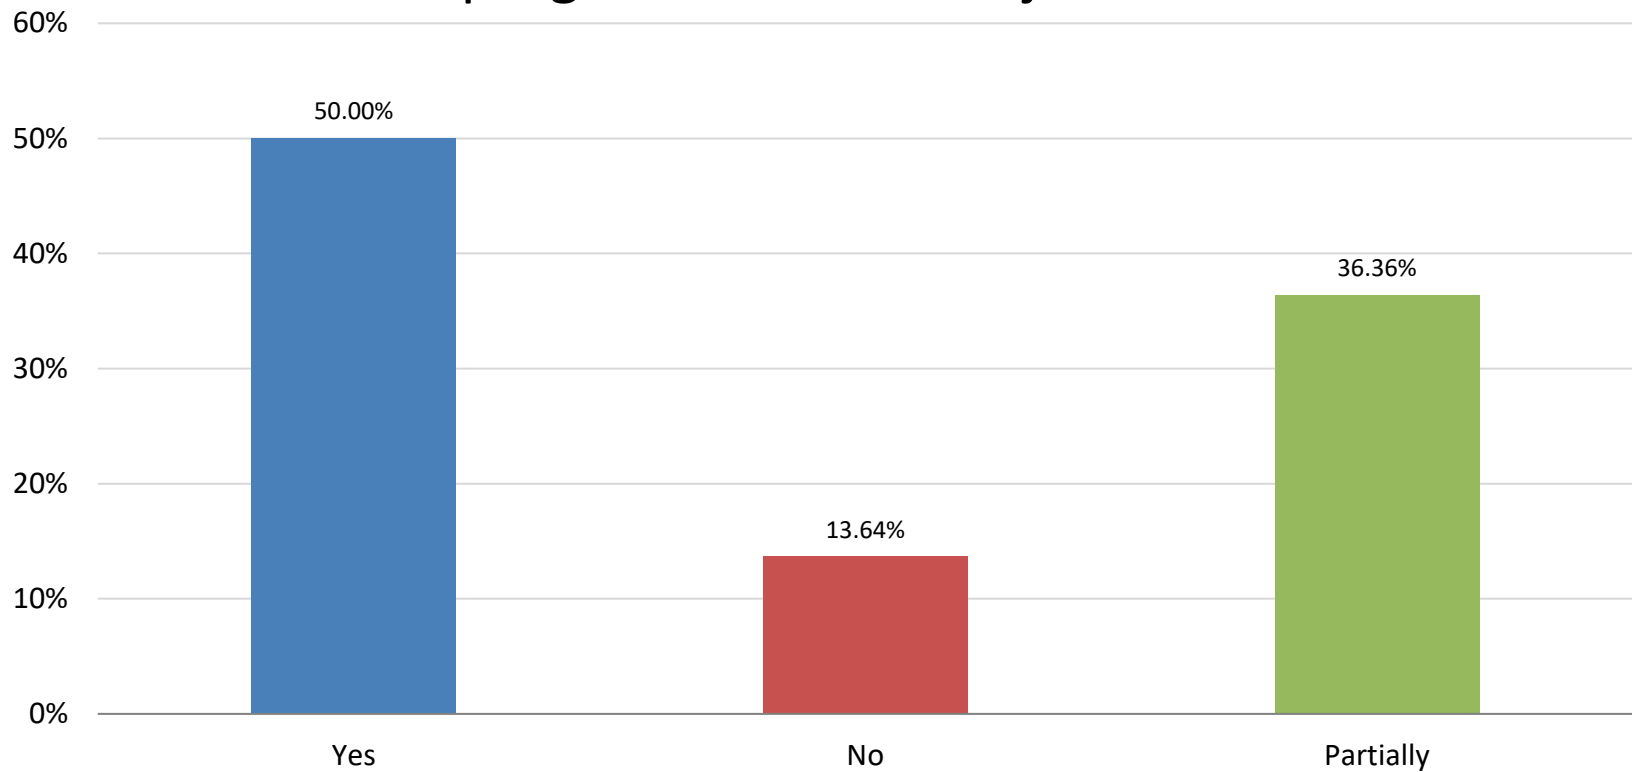

- In 2020-21, over 5,600 students participated in 21st CCLC school year programs with 40% or 2,200 attending regularly during the school year.
- Program attendance was impacted greatly during Summer 2020 due to pandemic restriction on space, staffing , and occupancy limits. Eighteen of twenty-six program did hold summer programming as planned.
- School year programs were open as usually with 30% less attendance due to distancing and school building restrictions put on programs.

Performance Goal 1-Objective 1 (part 1) Increase the number of regular program attendees who improve from not being proficient to being proficient in language arts/reading measured from Fall to Spring in PreK-5th grade. Did the program meet this objective?

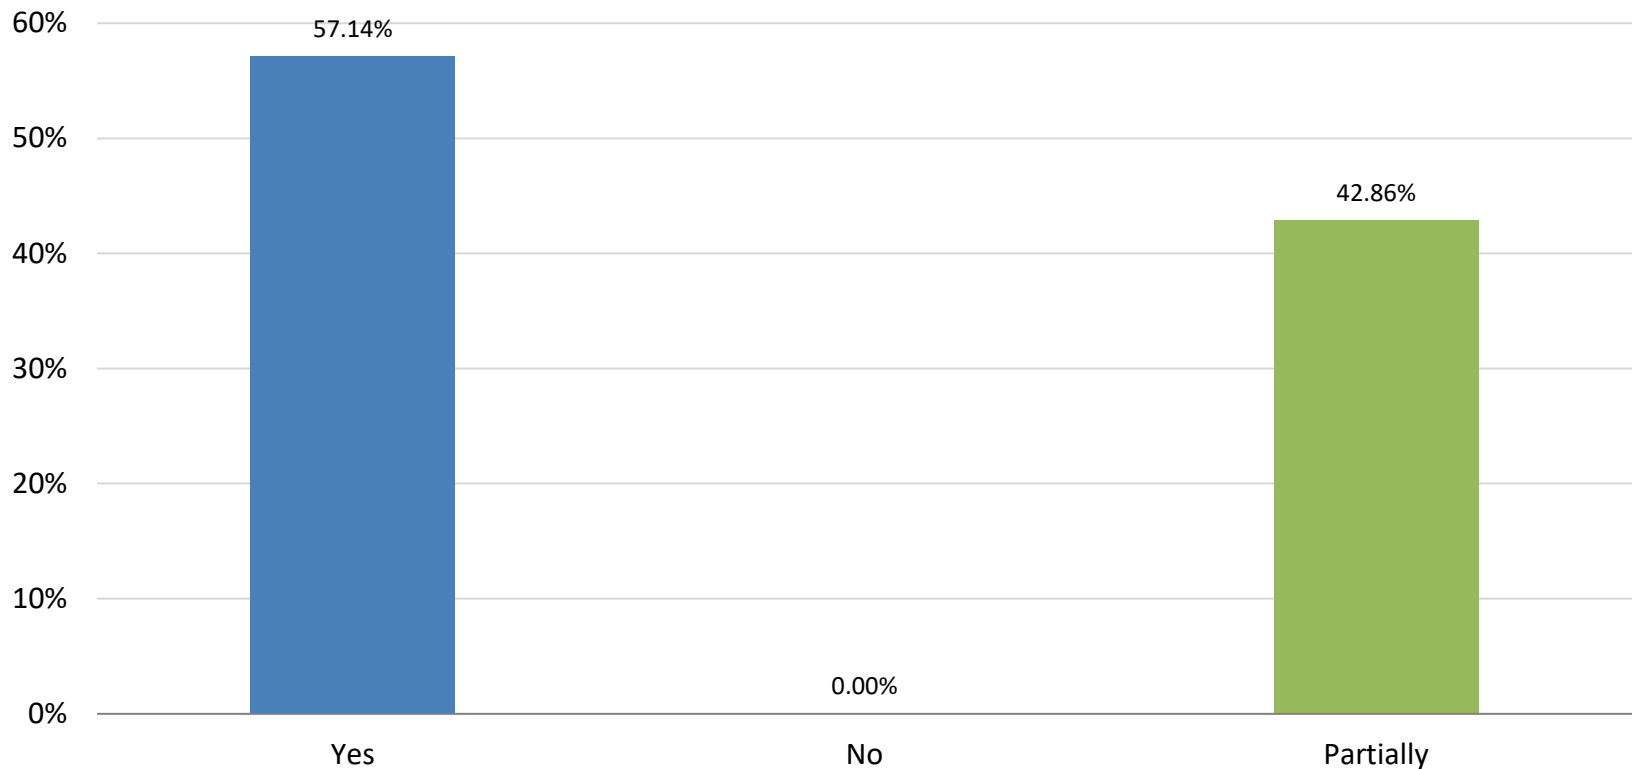

Mean : 1.759 | Confidence Interval @ 95% : [1.399 - 2.118] | Standard Deviation : 0.988 | Standard Error : 0.183

Performance Goal 1-Objective 1 (part 2) Increase the number of regular program attendee who improve from not being proficient to being proficient in language arts/reading measured from Fall to Spring in 6th-12th grade. Did the program meet this objective?

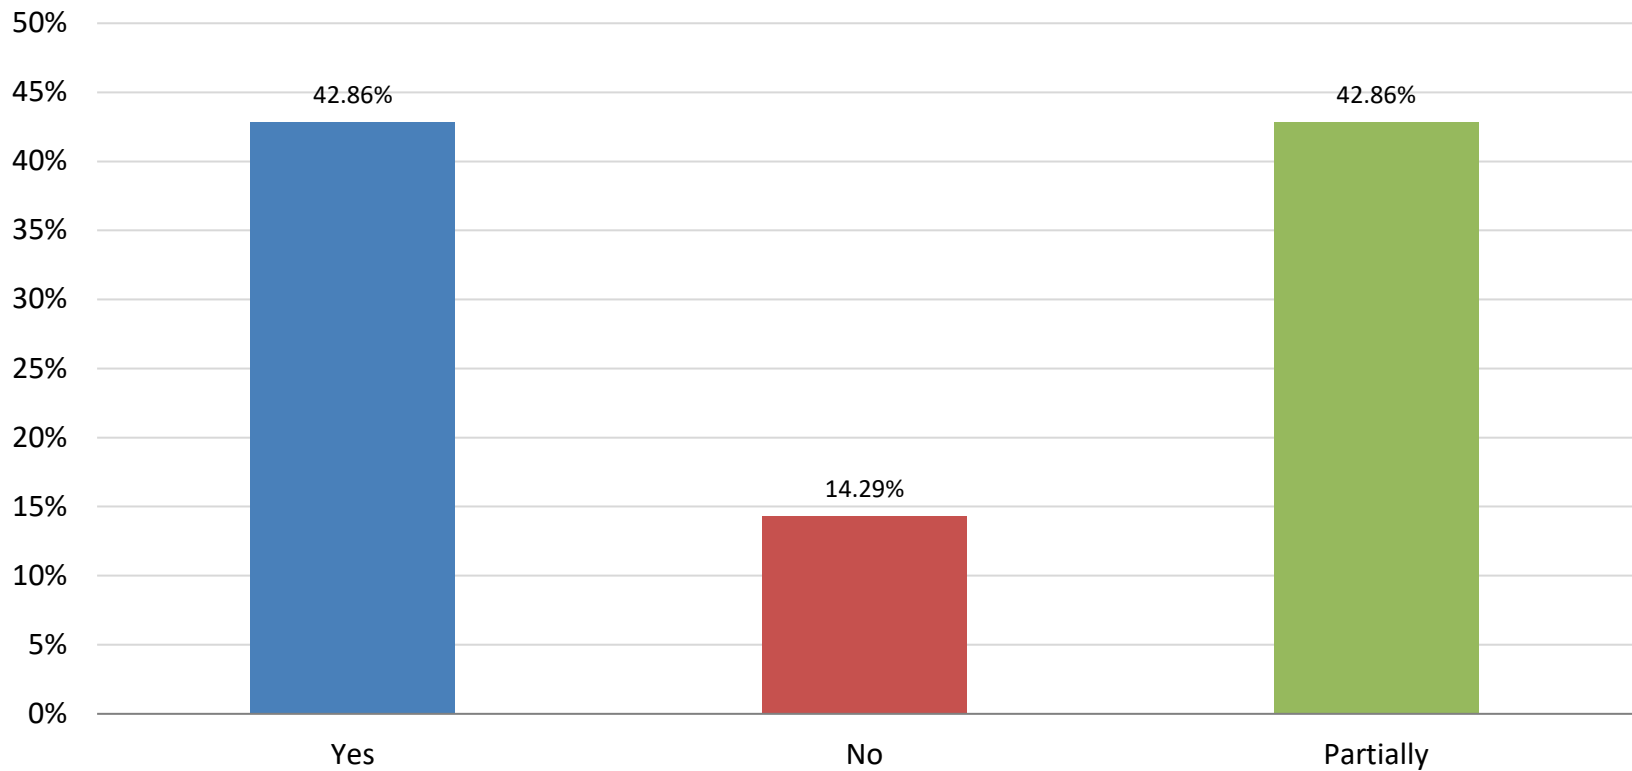

Mean : 1.864 | Confidence Interval @ 95% : [1.470 - 2.257] | Standard Deviation : 0.941 | Standard Error : 0.201

Performance Goal 1-Objective 2 (part 1)-Increase the number of regular program attendees who improve from not being proficient to being proficient in math from Fall to Spring in PreK-5th grade. Did the program meet this objective?

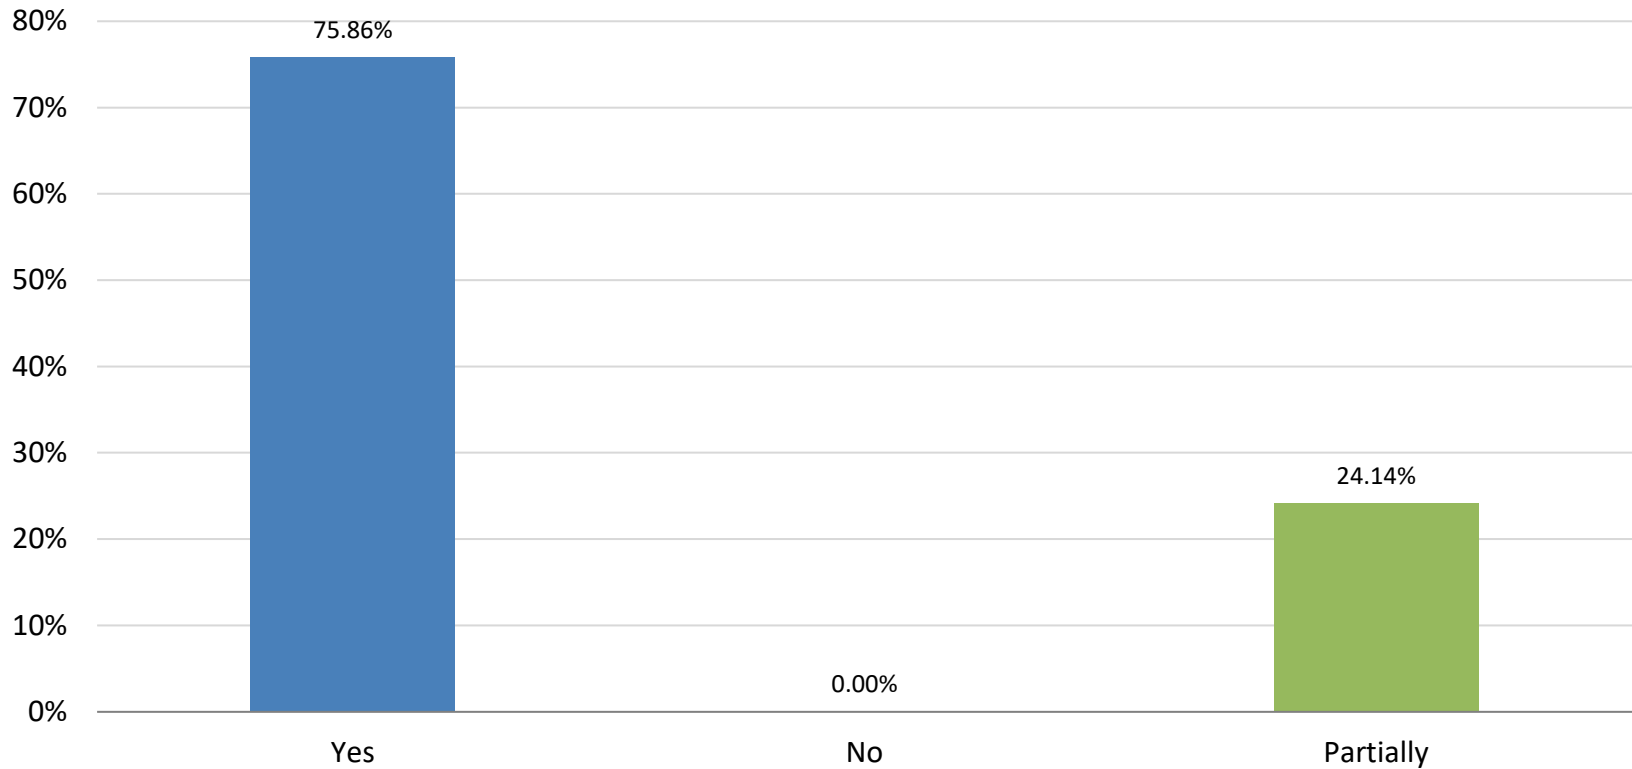

Mean : 1.857 | Confidence Interval @ 95% : [1.484 - 2.230] | Standard Deviation : 1.008 | Standard Error : 0.190

Performance Goal 1-Objective 2 (part 2)-Increase the number of regular program attendees who improve from not being proficient to being proficient in math from Fall to Spring in 6-12th grade. Did the program meet this objective?

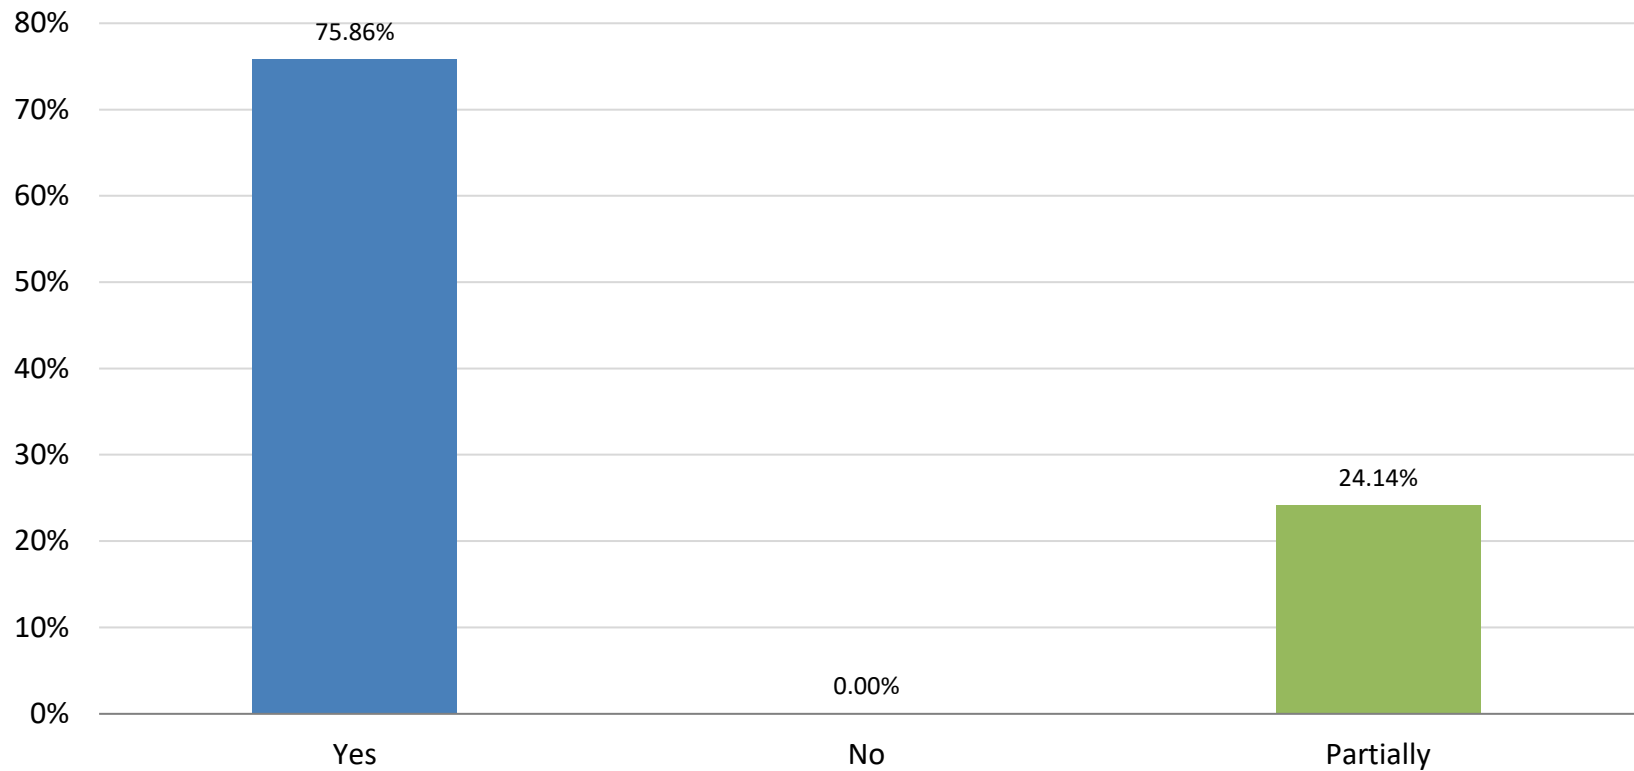

Mean : 2.000 | Confidence Interval @ 95% : [1.594 - 2.406] | Standard Deviation : 0.949 | Standard Error : 0.207

Performance Goal 2-Objective 1 Increase the number of regular program attendees who demonstrate improved school attendance. Did the program meet this objective?

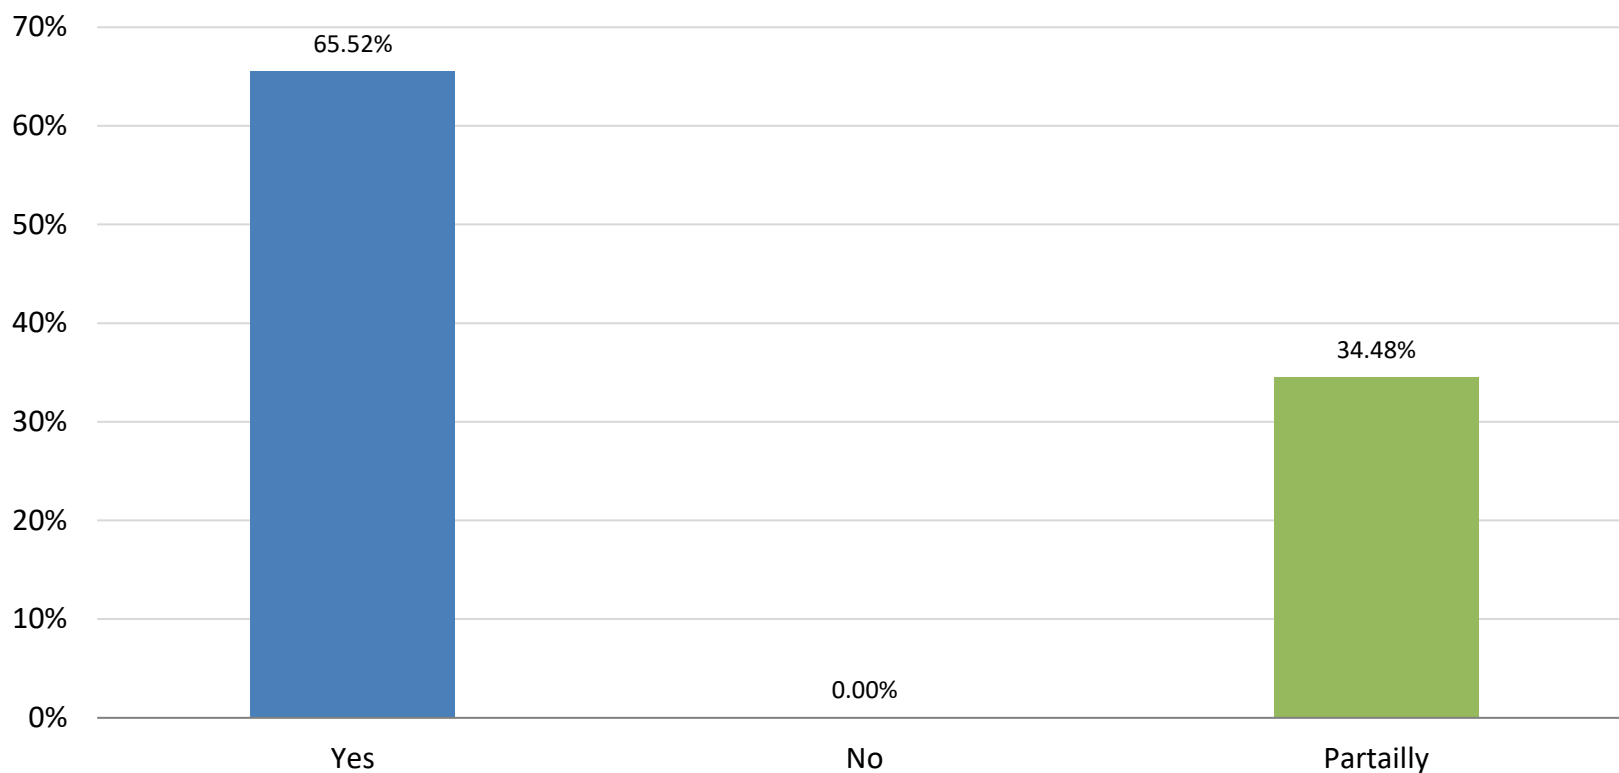

Mean : 1.483 | Confidence Interval @ 95% : [1.166 - 1.800] | Standard Deviation : 0.871 | Standard Error : 0.162

Performance Goal 2- Objective 2 Increase the number of regular program attendees whose homework completion and class participation improve from Fall to Spring. Did the program meet this objective?

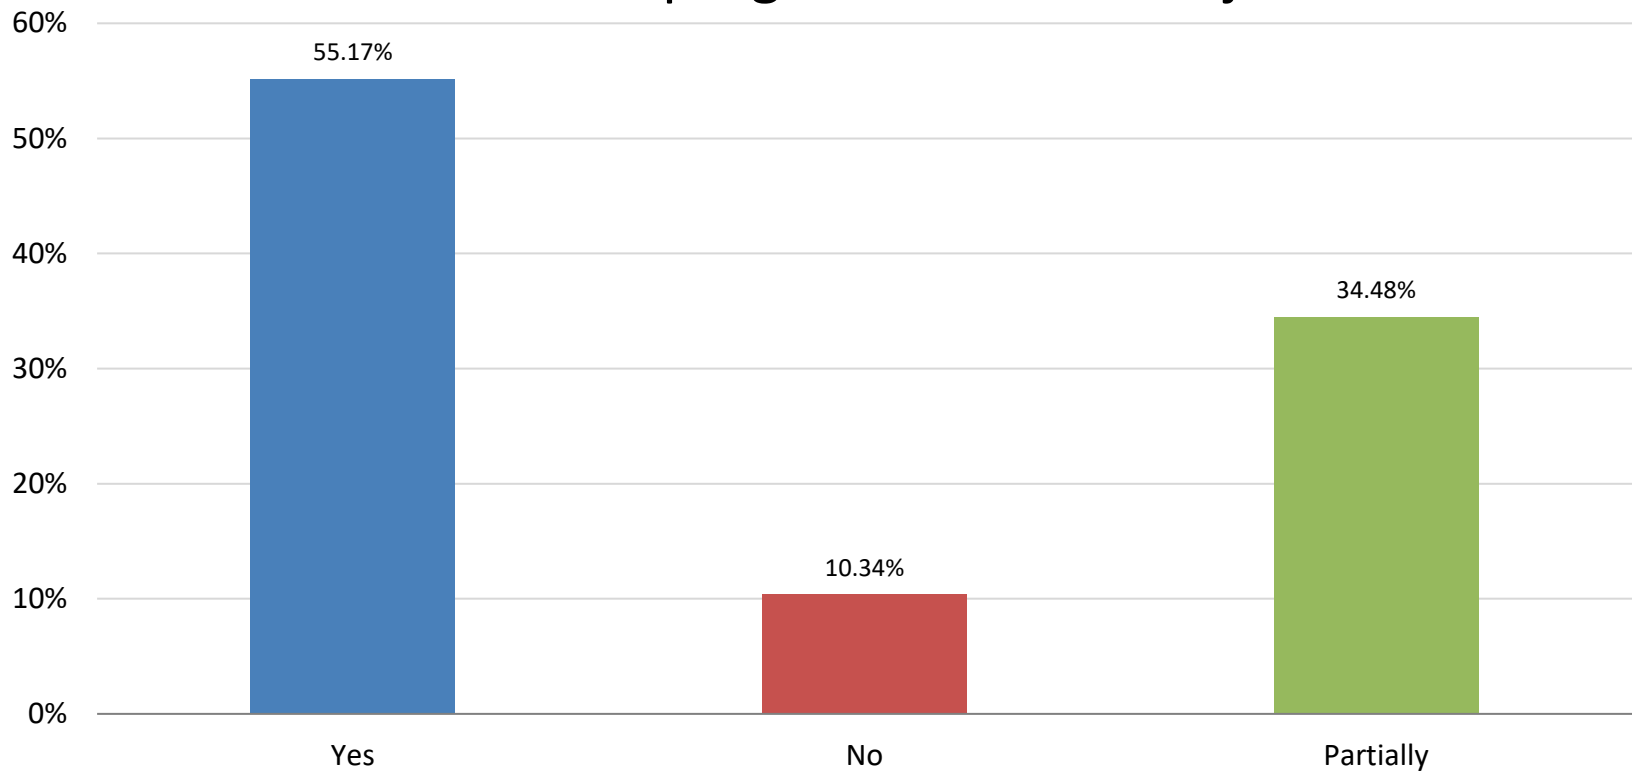

Mean : 1.483 | Confidence Interval @ 95% : [1.166 - 1.800] | Standard Deviation : 0.871 | Standard Error : 0.162

Performance Goal 2-Objective 3 Increase the number or percentage of regular program attendees who demonstrate improved attitudes toward learning, increased engagement in learning, and/or increases in other positive education, social/emotional, and behavioral outcomes as a result of participating the the 21st CCLC program. Did the program meet this goal?

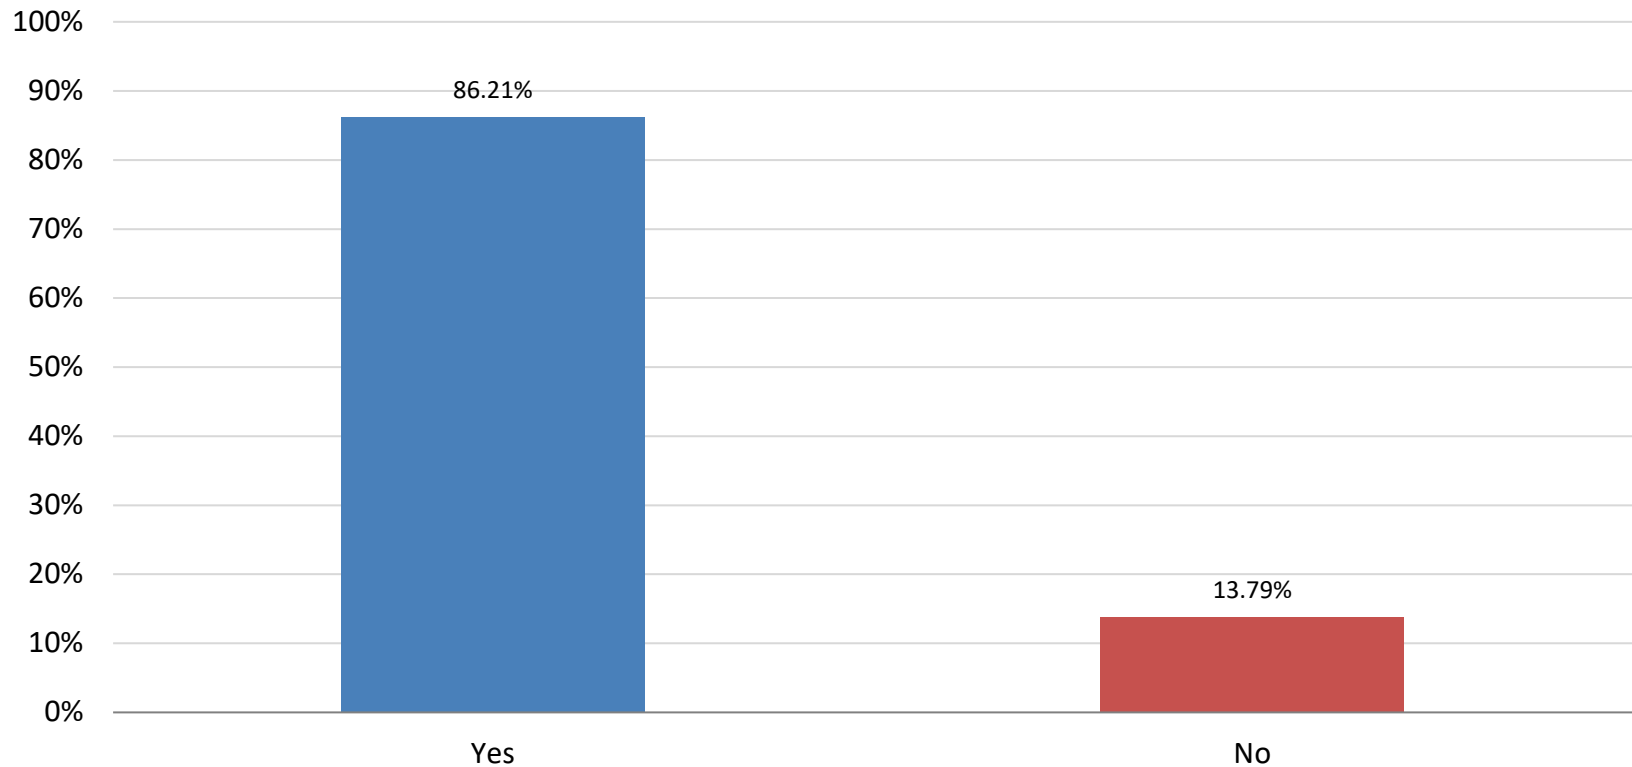

Mean : 1.690 | Confidence Interval @ 95% : [1.338 - 2.042] | Standard Deviation : 0.967 | Standard Error : 0.180

Performance Goal 3-Objective 1 Increase the number of family members of 21CCLC participants that active in the planning, implementation, communication, and/or evaluation strateguies of the program, especially in centers with high needs. Did the program meet this objective?

Mean : 1.793 | Confidence Interval @ 95% : [1.451 - 2.135] | Standard Deviation : 0.940 | Standard Error : 0.175

Do you gather other data for your local evaluation process?

Mean : 1.138 | Confidence Interval @ 95% : [1.010 - 1.266] | Standard Deviation : 0.351 | Standard Error : 0.065
