Wyoming Students Selected for United States Senate Youth Program ***Students Headed to Washington, D. C. and to Receive \$10,000 Scholarship***

January 09, 2024, Washington, D.C. —The United States Senate Youth Program (USSYP) announces that high school students Mr. Casey J. Dean Toner and Ms. Grace H. Zhou will join Senator John Barrasso and Senator Cynthia Lummis in representing Wyoming during the 62nd annual USSYP Washington Week, to be held March 2 — 9, 2024. Casey Toner of Glenrock and Grace Zhou of Laramie were selected from among the state's top student leaders to be part of the 104 national student delegation. Each delegate will also receive a \$10,000 college scholarship for undergraduate study.

The USSYP was created by Senate Resolution 324 in 1962 and has been sponsored by the Senate and fully funded by The Hearst Foundations since inception. Originally proposed by Senators Kuchel, Mansfield, Dirksen and Humphrey, the Senate leadership of the day, the impetus for the program as stated in Senate testimony is "to increase young Americans' understanding of the interrelationships of the three branches of government, learn the caliber and responsibilities of federally elected and appointed officials, and emphasize the vital importance of democratic decision making not only for America but for people around the world."

Each year this extremely competitive merit-based program provides the most outstanding high school students - two from each state, the District of Columbia and the Department of Defense Education Activity - with an intensive week-long study of the federal government and the people who lead it. The overall mission of the program is to help instill within each class of USSYP student delegates more profound knowledge of the American political process and a lifelong commitment to public service. In addition to the program week, The Hearst Foundations provide each student with a \$10,000 undergraduate college scholarship with encouragement to continue coursework in government, history and public affairs. All expenses for Washington Week are also provided by The Hearst Foundations; as stipulated in Senate Resolution 324, no government funds are utilized.

Casey Toner, a junior at Glenrock Jr/Sr High School, serves as the state vice president for the Family, Career and Community Leaders of America organization. He has advocated for Career and Technical Education, including efforts related to the Prep Act and Perkins funding, where he engaged with Wyoming Senators John Barrasso and Cynthia Lummis. His leadership extends to the state level, where he has actively participated in various opportunities within Wyoming's capital, advocating for local bills and participating in Governor Mark Gordon's proclamation signings. Recently approved as a high school intern for the Wyoming Senate, Casey will gain firsthand experience in the workings of state government, providing him with valuable insights into potential future career paths. His future career plans will lead him to attend the University of Wyoming, where he plans to dual major in political science and CTE education. Looking forward, Casey aims to intern in the Wyoming government, absorbing skills and knowledge from representatives at both the state and national levels.
