

WYOMING DEPARTMENT OF EDUCATION  
SPECIAL EDUCATION PROGRAMS DIVISION  
SPECIAL EDUCATION COMPLAINT INVESTIGATION

**Complaint Case:** C-014-24

**Public Agency:** Fremont County School District #2

**Issues Investigated and Decision:**

1. Whether the District provided the Student a FAPE consistent with the IDEA and its implementing regulations at 34 C.F.R. § 300.17 and 300.101. Specifically,

- a. Whether the District developed and implemented an IEP that was reasonably calculated to result in educational benefit in light of the Student's unique educational needs consistent with 34 C.F.R. § 300.320.

**The District developed, implemented, and amended the IEP according to IDEA regulations. A procedural violation occurred when behavior support was documented as special education instead of a supplementary aid and support. This did not result in a denial of FAPE. WDE finds this error to be a procedural violation.**

- b. Whether the District provided special education placements for the Student in conformity with the LRE requirements pursuant to 34 C.F.R. §§ 300.114 through 117.

**The District provided special education placement for the Student in conformity with the LRE. WDE finds no violation.**

- c. Whether the District afforded the Student all protections for disciplinary removals under the IDEA consistent with 34 C.F.R. §§ 300.530 through 300.536.

**The District provided the Student with disciplinary protections, including conducting a manifestation determination when required. WDE finds no violation.**

The district is required to correct the identified violations via a corrective action plan. The WDE will monitor and document compliance with the corrective action order. Once all corrective action is complete, the WDE will close the case.
