SPECIAL EDUCATION PROGRAMS DIVISION  
SPECIAL EDUCATION COMPLAINT INVESTIGATION

**Complaint Case:** C-026-24

**Public Agency:** Laramie County School District #1

**Issues Investigated and Decision:**

1. Whether the District provided the Student a free appropriate public education (FAPE) pursuant to 34 C.F.R. §§ 300.17 and 300.101. Specifically, whether the District developed and implemented an individualized education program (IEP) that was reasonably calculated to result in education benefit in light of the Student's unique education, consistent with 34 C.F.R. §§ 300.320 and 300.324.

**WDE finds the District in compliance. The IEP was based on the Student's unique educational needs, and the Student made progress consistent with his IEP.**

2. Whether the District complied with the IDEA's procedural requirements. Specifically,
  - a. Whether the Parent had the opportunity to participate in the IEP process, as outlined in 34 C.F.R. §§ 300.322 and 300.501.

**WDE finds the District in compliance. The Parent had the opportunity for meaningful participation in the IEP process and the Parent's request for reevaluation was honored in February 2024.**

- b. Whether the District provided the Parent with the Procedural Safeguards Notice when required and outlined in 34 C.F.R. § 300.504.

**WDE finds the District in compliance. The record supports a conclusion that the District provided the procedural safeguards notice when providing a copy of the IEP.**
