

Wyoming State Content & Performance Standards (WYCPS) Review Timeline (by calendar years)

Approved by the State Board of Education (SBE) on June 20, 2024

Note: The Standards Review Process typically takes 12-24 months to complete, from committee work to adoption, through Ch. 10 Rules.

The timeline below is by calendar years and intentionally includes a couple of 1-year skips. The standards review for the content areas in the 2022-2024 column have been completed. The 2023 documents were adopted on July 17, 2024. The 2024 document has not yet been adopted as of September 2024.

*Extended Standards are the learning standards for Students with the Most Significant Cognitive Disabilities – These students take the WY-ALT assessments.
