

WYOMING DEPARTMENT OF EDUCATION
SPECIAL EDUCATION PROGRAMS DIVISION
SPECIAL EDUCATION COMPLAINT INVESTIGATION

Complaint Case: C-009-25

Public Agency: Uinta County School District 4

Issues Investigated and Decision:

1. Whether the District provided the Student FAPE in conformity with 34 C.F.R. § 300.17 and 300.101. Specifically,

- a. Whether the District properly implemented the Student's IEP and BIP according to its terms, pursuant to 34 C.F.R. §§ 300.320 through 300.324.

WDE finds a violation. The IEP has not been implemented properly.

2. Whether the District complied with the procedural requirements of IDEA. Specifically,

- a. Whether the Complainant had the opportunity to meaningfully participate in the Student's education even though District put in place a communication plan, pursuant to 34 C.F.R. §§ 300.321(a)(1); 300.324(a)(1); 300.501(b).

WDE finds no violation. The communication plan does not deny Complainant the opportunity to meaningfully participate.

- b. Whether Student's education program was modified outside of a properly convened IEP meeting, in violation of 34 C.F.R. §300.324(a)(6); 300.501(b).

WDE finds no violation. Student's educational program was not modified.

The district is required to correct the identified violations via a corrective action plan. The WDE will monitor and document compliance with the corrective action order. Once all corrective action is complete, the WDE will close the case.
