SPECIAL EDUCATION PROGRAMS DIVISION
SPECIAL EDUCATION COMPLAINT INVESTIGATION

Complaint Case: C-020-25

Public Agency: Campbell County School District 1

Issues Investigated and Decision:

1. Whether the District systemically provided students FAPE in conformity with 34 C.F.R. § 300.17 and 300.101. Specifically,
 - a. Whether the District provided specialized instruction to students enrolled in the functional math class by a fully certified special education teacher between the periods of February 2025 and present, pursuant to 34 C.F.R. §§ 300.156, 300.207, and 300.323(c).

WDE finds a violation. The substitute teachers utilized in the functional math class during Special Education Teacher's absence were not fully certified special education teachers able to provide specially designed instruction.

The district is required to correct the identified violations via a corrective action plan. The WDE will monitor and document compliance with the corrective action order. Once all corrective action is complete, the WDE will close the case.
