SPECIAL EDUCATION COMPLAINT INVESTIGATION

Complaint Case: C-023-26

Public Agency: Natrona County School District 1

Issues Investigated and Decision:

1. Whether the District provided Student FAPE in conformity with 34 C.F.R. §§ 300.17 and 300.101. Specifically,
 - a. Whether the District implemented the Student's IEP and provided special education and related services, including adult support and supervision. 34 C.F.R. § 300.323.

WDE finds no violation. The District provides adult supervision for the Student at all times. The Student's ability to run from multiple adults on two occasions and exit the building, was not due to a failure to implement the IEP as written. The District did not deny the Student a free appropriate public education.

Based on this information, this complaint case is considered closed.
